

*"When we build, let us think that we build forever."*

*John Ruskin*

**BUT NOTHING LASTS FOREVER**

## QUICK FACT SHEET

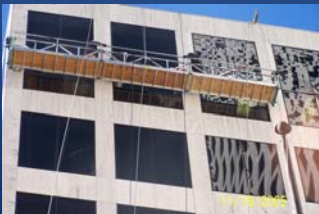

### WHAT IS AMERICAN RESTORATION INC.?

American Restoration Inc. is a full-service remedial and restoration contractor with national capabilities. We work closely with consultants, architects, engineers, owners and property managers assisting with design review, forensic investigation, specification writing and the implementation of these procedures.

Founded in 1985 and based in Dallas, Texas, American Restoration Inc. now holds one of the highest ratings with both the Government Services Administration and Texas Historical Society. This was achieved by remaining consistently dedicated to providing the best and most reliable products, services and technology available in the industry.

### AFFILIATIONS:

Texas Historical Foundation, American Concrete Institute, Sealant Waterproofing and Restoration Institute, Building Owners and Managers Association, National Association Corrosion Engineers
